## **Riverview Club Gives Thanks To Police Officer Homeowners**

***Westchester's Premier Waterfront Condominium Hosts a Special Celebratory Event In Recognition Of the Brave Men and Women Who Keep Our Cities Safe***

Yonkers, NY - In honor of the men and women in blue, Riverview Club, a **prestigious residential community** located in Greystone, N.Y., recently hosted an afternoon of celebration and live music. Residents, prospective buyers, brokers, and the guests of honor - New York, Bronx and Yonkers policemen - enjoyed the hometown band Pure Static while a brand new iPod Nano was raffled off during the event.

Currently, **Yonkers**, the fourth largest city in New York, is home to 700 police officers, a significant number of whom reside at Riverview Club.

"We are honored that some of the fine men and women of the Yonkers and greater New York Police Departments have chosen to call Riverview Club their home," said **Randi Kahn** of **River Hill Residential, LLC**, the property's sponsor. "This celebration was to give thanks for the hard work and dedication they have given to our neighborhood."

A sergeant, with 25 years of service under his belt, who lives at Riverview Club, said that both he and his wife - a teacher in the Yonkers school district - enjoy the feeling of living up north and the convenience of being close to New York City.

"It's the perfect place, everything you could ask for - great nearby restaurants and a short commute to the city," said the **sergeant**, who declined to give his name for security reasons. "The staff is wonderful, the amenities are amazing and it's a great value. The best part is that it's a safe place to live. I could not have asked for anything better."

The gala piqued the interest of several buyers who have since scheduled tours of available units at Riverview Club. The property offers residences starting at \$180,000 up to the mid-\$500,000s, with a variety of units from studios to three-bedroom homes. Bathrooms boast a contemporary sliding glass shower stall and espresso wood vanity, while kitchens feature granite countertops, GE stainless steel appliances and a choice of three different finishes. Outfitted with Carrera marble floors, every residence features a magnificent balcony with breathtaking views of the Hudson River.

In addition, residents have access to a well-equipped amenities package, including a state-of-the-art fitness center, oversized pool with cabanas and 24-hour concierge service. There is also a clubroom featuring a fireplace, pool table, flat screen TV and serving kitchen.
